Donations: Every year our goal is to put on a quality picnic that everyone can enjoy. At the same time, we want to keep the price of the picnic at a reasonable rate that everyone can afford. To meet both of those goals **we must rely on your donations to meet the cost of the picnic.**

PLEASE consider a **small donation to the picnic expenses** on your registration form.

Any surplus of donations is proudly given to the *Community Transitional School*. Last year's donation of \$3,000 brought the total to over \$105,000 that we have donated over the years. This does not include all the food and clothing items that we have also donated.

If you want your donation to go strictly to the school, or if you plan to use your donation as a tax deduction, please write out a separate check made payable to **Community Transitional School**. These checks will be forwarded directly to the school.

Classmates are reminded to bring **non-perishable food**, with you to the picnic for the Community School. These foods are given to the school children's parents as Food Baskets. Also see the **Wish List** for a list of food suggestions as well as other school items needed. There will be a drop-off spot near the picnic entrance for these donations.

Memorabilia: Bring your Class Photos/Posters/signs to display at the Alumni Annual Picnic. There will be an Area for your Class Year Memorabilia to be displayed.
