*"Always and Forever"*

*Always and Forever, each moment with you  
is just like a dream to me that somehow  
came true -*

*And I know tomorrow will still  
be the same, 'cause we've got a life of  
love that won't ever change -*

*And everyday love me your own special  
way -*

*Melt all my heart away with a smile -*

*Take time to tell me you really care,  
and we'll share tomorrow, together,*

*Always and Forever -*

*"I'll always love you - Forever"*

*There will always be sunshine when I  
look at you, something I can't explain  
just the things that you do - and  
if you get lonely, phone me, take a  
second to give me that magic you  
make - and*

*"I'll always love you - Forever"*

*Heatwave*
