Judy Soga Selected 1977 Rose Festival Princess

Judy Soga received her greatest birthday present ever Wednesday when she was selected as Washington High School's 1977 Rose Festival Princess.

Other finalists included Cindy Harmon, Kim Hales, Doreen Jones, Kristi Merilo, and Jenny Mohler.

Princess Judy Soga

Filling a day with interests and hobbies has never been a problem for Judy Soga. Throughout her four years at Washington, Judy has realized the importance of "getting involved.'

Judy recently completed her term as fall student body president and has held other leadership roles such as assistant treasurer, treasurer and president-elect.

International Relations League (IRL) occupies much of Judy's time. She has been involved in IRL for four years and is currently serving as state president.

Judy has also been involved in the music department for four years. She has been a member of the Choraliers for the past two years.

Judy's hobbies include skiing, sewing, music, dancing, cooking, tennis and being a Trailblazer fan. She commented on the Blazers: "I'm really excited about the success of the Portland Trailblazers this year."

This fall, Judy plans to attend college and major in business administration with emphasis on marketing and textiles.

Kristi Merilo

family of nine which has its origin in a small country, one of the three Baltic States just south of Finland.

Proud of her Estonian heritage, Kristi takes an active part in Estonian folk dancing and singing groups, and she is a Sunday school teacher for their church.

Throughout high school, Kristi's activities have included Spring Varsity Rally, the Reg Show, National Honor Society and Choraliers. When Kristi finds time, she enjoys skiing.

Kristi plans to attend Portland State University, where she will study interior design. In the future she plans to take over her mother's drapery business, where Kristi is currently employed.

Jenny Mohler has been ac tive in many activities in her two years at Washington High School.

Many of her activities have been in the communications field. She has worked on both the yearbook and Washingtonian staffs. This year she has also been a broadcaster for the morning Reg Show. Jenny starred in a broadcast that took first place honors at a recent communications contest.

Jenny's hobbies include modeling, sewing, skating, horseback riding, swimming, and writing poetry.

As for future plans, Jenny plans to enroll at PSU this fall and major in journalism and broadcasting.

Kim Haits

Kim Hales plans to continue her education at a community college where she will study nursing. Later she will attend Samaritan Nursing School and then go on to become a nurse. In preparation for her nursing career she is taking Health Occupations here at Washington.

Kim was a member of this year's Fall Varsity Rally and likes to spend her spare time doing outdoor activities and going on one-day trips to the beach or the mountains.

Merger Discussed At Forum

A Washington Community Forum was held on Wednesday, April 13, to allow citizens of the Washington area to let their views be known on the possible merger of Washington and Monroe High Schools.

Mr. James Waymire, a member of the Washington-Monroe Joint Program Study Committee, presented the alternatives of the study committee, and Mrs. Ruth Lamb, vice president of the Washington Advisory Committee, presented the suggestions of her committee.

Following the presentations, the 60 people in attendance were broken down into small groups for discussions. Each group then responded with their views on the discussion questions. The responses were compiled and a summary of the meeting will be made and distributed.

Thespians Take Ashland Trip

by Sandi Miller

The Washington High School Thespian Troupe was honored to go to the '76-77 Ashland Thespian Conference March 31-April 2.

The students involved were Eddie Schefter, Marcia Guillory, Jean Gaps, Kim Dillon, Scott Thorson, Ken Carle, Wade Booth, Patty Yarnell, Liz Gould, Jerry Stapleton, Wade Booth, Joanne Tomyasue and Mrs. Schefter, chaperone.

Drama teacher Ms. Jean Wolensky stated that she felt that this conference was one of the better organized. Ms. Wolensky also added that this has been the first time Washington High School has ever competed at this level. Generally all we have ever done is go and compete and that is

This year we competed in duo acting serious and duo acting humorous. Also the group

did a one-act play entitled "Final Dress Rehearsal." Director for Final Dress was Eddie Schefter. Cast: Lisa Passarelli, Cindrella; Marcia Guillory and Liz Gould as the two step sisters; Patty Yarnell as author of the original story; Stephanie Barton, stepmother; Wade Booth, fairy godmother; Barbara Jacobs, stage manager; Jerry Stapleton, technician; Kim Dillon, script girl. The play was done twice Saturday and was well received by students and drama teachers alike.

Everyone in the troupe and everyone who went on the trip really put a lot of work into this trip because we had to have campaign buttons, posters, t-shirts, slogans, and handouts - all individually done by our troupe.

Washington's troupe also ran two people for state offices. Eddie Schefter as state

secretary and Marcia Guillory as state treasurer.

Eddie Schefter was elected for /77-78 school year as state secretary by his Thespian peers from all over Oregon.

The awards we received and the significance of these awards are outstanding for Washington. The most important is one of the best three troupes in Oregon. We were selected on the basis of growth, what we have done for community, school, stu-dent body, fund raising activities, and types and number of shows.

Washington was also asked to present the scenic design painting workshop at the regional convention. Ms. Wolensky is proud and pleased that we did so well; she hopes this will be another positive plus for Washington High School.

No Limit For Wa-Hi Students

by Kara Hartson No Limit For Washington Students

all started out on S.N.O.W. with high spirits, feeling "the sky's the limit!" . . . although many of us would settle for the top of Mt. Hood. Squinting up at the huge mound of whiteness early Tuesday morning, we puffed out our chests and dared the mass to defy our brave band of Cols.

Great camaraderie was established as the elements began their test. The sun baked shining Sheila's face and blisters started to bubble, Sheila trekked on! The snow froze little Micky's crumpled bod as he gasped for Senorita Hartson to rub his frozen hands more (ha! ha! what an excuse!) but he eventually stood up again.

The stove stubbornly wouldn't ignite for Leonard the Lion Hearted. The mountain itself sloped even more with each step of Brave Barb. And poor Ms. Delessert woke up back at the lodge every morning after the ground beneath her tent shifted. Packham's pick attacked his leg. The wind tore into the tents, but the competent Col campers' dwellings withstood the 70 mph gusts.

Lithe Lisa looked on with calm confidence. Mathematical Mike diligently recited the squared root of the hypotenuse to keep his mind from the terrible trials ahead. And Daring David plodded on in stoic sil-

At early morning daybreak the Crowing Culver startled us from the night's hibernation. Bob and Chuck, our musclebound inspirations, started pushing and pulling us up the jagged cliffs even faster. Marvelous Mary set a field of potent mines. Crisp Chris peeked over the ledges with a face so glowing red we thought the sun was attacking us for more hours than usual . . . while at the same time Packham paraded as the pasty, white, full moon, confusing all our sense of time. Jester Jessie took over command and started breaking new trails . . . over the cliff. Letters to the Editor

Dear Editor: I would like to comment in this issue on the kinds of "Food" sold by the candy machine. I definitely feel that the junk food sold there is not in any way beneficial to the health of the students at Washington High School. I do know how my friends feel about this issue and they mostly agree with me. We need a more healthful selection in the candy machine. The candy machine was primarily put there so that the students could buy something really fast to eat between classes. And this idea is a really great one, but it would really be nice to have at least six items in the machine for those people who don't need the calories, who can't have chocolate, and who

just want to put substance into their stomachs that is nonfattening.

I have complained about this to the administrators, also my friends have too, and they put in raisins and a truly awful Crunchola bar. I propose that now the students should get together and put out petitions for students to sign. The petitions would probably read: We the students of Washington High School feel that we would like a greater selection of health foods in the candy machine. The selection should number not less than six items. These items should be different nuts, sesame seed bars, dried fruits, good granola bars, etc.

I hope that this situation can be remedied.

Colonial musicians rated excellent in the District Solo-Ensemble Contest held in March.

Outstanding ratings were given to Mary Smith, Nadine Staton, Terri Bartrug, Mary Linn, Jim Heffner, Alescia Locke, Barbara Ewart, and Rebecca Mohn.

Mickey Gaines, Susan Love, Donna Kesseling, Claire Gerdes, Dolly Dellinger, Mary Peake, Julie Jost, Alyse Finlayson, and Leonard Cogan were all rated excellent.

They all had high recognition for either vocal or instrumental performance.

'It was a great experience for all who participated," said vocal music director. The contest was held at Portland State.

Congratulations are in order for next year's Choraliers. Those who made it are Sopranos - Claire Gerdes, Mary Linn, Susan Love, De-lores Perry, Tammy Wil-liams: Altos - Barbara Ewart, Corrine Jones, Kari Taber, Lynette Ziedlhack: Tenors -Bobby Elliot, Cliff Talmadge, Jim Heffner, Jeff Parrish: Bass - Leonard Cogan, Mickey Jim Howard, and Gaines, Brian Wright.

Something exciting is coming up for Choir and Band a tour April 28, 29, 30. They will be performing at the following schools; Cascade, Pleasant Hill, Central Point, Scenic, and Eagle Point.

The Choir will also be singing at the Rotunda of the State Capitol. On the way back they will be stopping at Crater Lake and Sun River. This three-day excursion will be a fun and enlightening experience.

The Choraliers made a trip to Newport. They left Saturday morning April 16 to Newport for the Swing Choir Festival Contest, in which other students judged the singing from 60 different Oregon High Schools. Last year they placed first in this contest and the year before third.

Our recent Mini-Mini Week was an excellent chance for students to learn the fundamentals of a new sport. Among those things offered were golf, track, hiking, skiing, canoeing. ice skating, tennis, and others. Hopefully this may stir up some interest in our school sports. If you are interested in participating, there are still openings on the track team, the tennis team, girls softball, and possibly others. For more information on the subject, contact the coach of the activity you are interested in.

Thoughts are already turning to next year's football season for some. Potential players are working out with weights in the mornings at the gym at 7:30 a.m. If you are a are a gridder and think you can make the team next year on the varsity or junior varsity level, get in touch with Mr. John Stillwell, who is in charge of the weight lifting program.

Led by Dwayne Brown and Clyde Johnson, the 1977 Colonial baseball team is surprising a lot of people with its strong showings; however the contingent of Washington fans at the games has often been small and disappointing. So come on out and give them your support.

Many doctors state an already well known fact that boredom may be caused by a lack of physical activity, depression and a lack of motivation. There is a way to alleviate this situation - Colonial sports!

Bocker Tops

Young Tennis Team Shows Promise

by Dale Dennis The Washington High School tennis team opened their season with a tough defeat at the hands of the Jackson Raiders.

The squad regrouped and took a 3-2 victory over the Jefferson Democrats before

dropping a match to the Lincoln Cards. The team's record in league play now stands at 1-2.

During Mini-Mini Week, the Jackson match took place, and Wa-Hi was without the service of Number 2 man, Duncan Ewart, and Number 5 man, Chris Manning.

Due to the large number of freshmen and sophomores playing on the team, the squad is improving as time goes by and should be a bona fide contender by next season.

Han Herrick is playing excellent tennis at No. 1 man and has a shot at the city title. Coach Gordon McEwen stated, 'The team will probably finish third or fourth in the division.'

Golfers Club Opponents

Mini-Mini Week provided an excellent chance for the Washington Colonial golfers to tune up their game for a tough upcoming season.

The Cols rounded out their pre-season with a 219-249 rout of the Adams Patriots to finish at a six win-one loss pre-season record. The team opened league play with a 219-237 romp over Roosevelt at West Delta golf course.

Although the squad's record indicates that it may be a good season, the Cols are wary of stiff PIL opposition.

Senior Dale Dennis stated. "If we play up to our potential, the team should advance to the City Tournament as a whole; even so, Dave Church, Kevin Baker and I should go on an individual basis anyway."

A bright note on this year's team is the improved play of third and fourth year lettermen. Dave Peters and Terry Mayhew. Also the rookie on the team, John Rumpakis, is improving markedly.

Coach John Stillwell is devoting a lot of his time to help the squad, and all the players on the team feel that he deerves much of the credit for this year's team's success.

The Washington High School varsity baseball team tied division leading Lincoln 4-4 in a game called because of darkness and beat Adams 12-4 before dropping three games to Madison 14-4, Franklin 9-1, and Benson 8-1. The Cols record now stands at 1-7.

The main reason for the Colonials lack of success is the fact that the team has very little depth. The squad has a small but talented group of ballplayers including Phil

Johnson, Todd Schweitz. Dwayne Brown, Clyde Johnson, Steve Mayhew, Dennis Swanson, Bob Swerdlick, Victor Rocha, Jim Darling, and Jim Howard. Carrying the pitching duties for the Cols are Dwayne Brown, Steve Mayhew, Jim Howard, Dennis Swanson and Robert Swerd-

A surprise to many around the league is the play of first baseman Clyde Johnson. Clyde rapped a home run against division leading Lincoln and two more against league leading Madison. He leads the entire PIL in home runs and is the team leader in batting average and runs batted in.

Coach Bruce Jaynes commented, "the team works hard, but we just do not have enough ballplayers out for the team to be a contender.'

Bob Swerdlick topped the boys with a 145 pin average and Tara Reese and Joanne Tamiyasu were best for the girls at a 138 pin average.

If you would like to find out more information on this activity, you need to contact Mrs. Kleinke.

Girls softball at Washington started in pre-season with a close contest with Cleveland, the score was Cleveland 13-Washington 12. The loss was followed by another as the Cols lost to Grant 14-4.

The loss to Cleveland was a heartbreaking one because the team led all the way except for a last inning grand slam by the Indians. Against Grant the Cols were outclassed by one of the finest teams in the city. Liz Fowlie had 3 hits for the Colonials.

Pitching this season for the Maroon and Goldare Liz Fowlie, Liz Skach, and Cathy Finn. The hottest batter on the squad so far is Joannie Tamiyasu.

The Colonial women begin league play next Tuesday against Adams. The girls will be competing against Jefferson, Adams, Monroe, Jackson, Roosevelt, and Lincoln in their West Division.

***Clyde Johnson, a Colonial baseball player who, inaddition to playing first base. clubbed three home runs (two in one game against league leading Madison), to lead the PIL in that category. Clyde is a talented athlete who has hopes of making a Los Angeles farm team this summer.

Honorable Mention:

*Dave Church - led the Col golf team to a six winone-loss pre-season record and a one win-no loss record in regular season play, with steady rounds of 38, 40, 41, 40, and 39.

*Gwen Elliot - a Colonial spiker who captured first place in the 220-yd. dash and anchored the winning mile relay team.

Did you know that in 1912 a Washington Colonial distance runner named Paul Wilson ran the mile in 4:26.7 and the record still stands? Sound easy, can you break it? If you think you might be able to, why not try out for the track team; contact Mr. Walt Aldridge for info.
