

The 2007 gathering will again start at 11:00 A: M, 7/11/07 and will feature **The Woody Hite Big Band with vocalist Rebeca Kilgore and a guest appearance by Mr. Norman Leydon**. Music will start at 1:00 PM and end at 4:00 PM. A dance floor will be provided. Traditionally the band will again start things off with the "Washington High" fight song but we ask that you refrain from singing the part about "shake down the thunder from the sky". That didn't work to well last year.

Hot dogs, chicken, beans and dessert will be served along with beer, wine, soft drinks, coffee, ice water, lemonade and snacks.

Price of admission, entertainment, food and drinks will remain at \$10.00 per person but would again remind you that donations are necessary and encouraged so that we may continue our commitment to help support the Community Transitional School. All proceeds from this event are given to the school. The food and clothing drive for the children are again a part of the event and please be aware the school staff has expressed their heartfelt gratitude over and over for your continued generosity. The alumni are playing an important part in the schools progress and by the time of our reunion the initial phase of construction of the schools new facility should be well underway. This is an exciting time and a true milestone in the development and care of Portland's children in need.

Any Washington High alumni with connections in the food industry, which may result in donations towards our food offering, would be most helpful and greatly appreciated.

Attendees register at the table for your class, enter the site and enjoy. Alumni may bring guests as well, and please as near as possible, indicate whether you plan to attend or not so that we may plan accordingly. If uncertain, or your situation may change, you can pay at the gate. Class pictures will be taken again this year and previous years photos can be purchased as well, review schedule for your class's time.

Co Chair Persons Eldon Bolstad, Don Livigston, Sally McManigal Lofgren, Del Tyler.

Responsible drinking of Alcohol is everybody's duty. Our future depends on it.

October 4, 2006 **Community Transitional School**

Dear Eldon & Members of Washington High Alumni,

Thank you for your very generous gift. As we begin a new school year, I am reminded that it is friends like you who have helped to sustain our school for the past 16 years. It was a busy summer and the school year has started off with much activity.

As many of you know, we lost our lease and had to move to a new space at 5441 SE Belmont Street. At the end of the regular school years, employees from the Windermere North and Northeast offices helped our staff pack everything but what we needed for summer school. Once summer school ended on July 19th, employees from the Entercom Radio stations finished packing our remaining supplies and furniture. Because our new space is much smaller, our staff has had to pack and put in storage about half our school, and we appreciate Eldon Bolstad for donating the storage space.

School began on August 30th. We had our largest first day enrollment ever with 57 students. By the end of the second week, we had 73 students enrolled. It was great to see so many faces, and the children were so happy to be back in school. We ended the first day of school with the CTS tradition of gathering everyone together and toasting the new school year with root beer floats. By the end of the second week, we had begun our traditional weekly kickball game between my class (2nd-5th) and Marna's (5th-8th). Although we might not be as skilled and as big, we are heavy on the player side with 31 players versus 18. Since the game cannot end until each child has had a chance to kick, we added extra innings after lunch. As the 6-4 score shows, we had a lot of 3up/3 down on my side.

The children are settling in and we all are getting used to our new space. My class is learning about different geographical landforms, the phases of the moon, and spiders and their webs.

We have a lot of exciting things planned for the year ahead, including our capital campaign to build a new school, which you will be hearing more about in the coming months. Your support and encouragement mean a great deal to us; thank you again for your gift. Approximately \$10,000.00

Sincerely,

Cheryl M. Bickle Principal / Lead Teacher

You guys are such super friends.

Special Thanks to Mr. Holloway who is donating a minimum of \$2.00 per picture to the Community Transitional School

Special News Break,

A student at the Community Transitional School named **Terri**, has won a national Essay contest. It is sponsored by Major League Baseball. There were over 8000 (eight thousand) entries. Six first place Awards were given and **Terri** was one of them. It should make all of us feel very good that our Money, Food, And Clothing are doing a fine job to help these kids.
