

Washington High Class of 1978

Report to the Principal's Office for our 40 Year Reunion!

Please join us for a weekend full of laughter, renewal of friendships and reminiscing of days gone by as we celebrate our 40 years as Wa-Hi graduates.

Our primary goal is to host this reunion for EVERYBODY

If you are a classmate that recognizes the success of a reunion as being directly related to the number of participants and are in a position to contribute, any amount will be gladly accepted. Include your donation in your registration payment

If you are a classmate who would like to attend the reunion but the cost would put a financial strain on you, contact Sandy (Satterfield) Barraclough at sandybarraclough@comcast.net. Communication will be kept confidential

Any funds leftover from the reunion will be put back into our bank account for future reunions

We are hoping for a great turnout and look forward to a spectacular class reunion. Please mark your calendar and plan to join us all in celebrating our lives.
